COMPETITIVE CLASSIFICATION CHANGES

Docket No. MC2022-82

**USPS NOTICE OF CHANGES IN CLASSIFICATIONS OF GENERAL  
APPLICABILITY FOR COMPETITIVE PRODUCTS**  
(July 13, 2022)

Pursuant to 39 C.F.R. §§ 3035.104, 3040.212, and 3040.180 *et seq.*, the United States Postal Service hereby provides notice of a series of classification changes for competitive products, namely, First-Class Package Service and Parcel Select. As described more fully in Governors' Decision 22-2, which is attached to this pleading in Attachment A, these classification changes are designed to expand and enhance the First-Class Package Service product, and to simplify and streamline its ground package service offerings. To avoid redundancy, the Postal Service is also removing the Parcel Select Ground price category from Parcel Select and removing the USPS Retail Ground product from the competitive product list. The latter action is addressed in Docket No. MC2022-81, which is also being filed today.

The proposed Mail Classification Schedule language, which appears at Attachment B, details the classification changes established by Governors' Decision 22-2. The changes are scheduled to take effect on January 8, 2023. In summary, the changes include the following:

- An expansion of the First-Class Package Service product weight limit (currently an ounce-based offering up to 15.999 ounces), up to 70 pounds.

- The size (dimension) limitations for First-Class Package Service will be updated to align with the product consolidation.
- \$100 of insurance will be included in the enhanced First-Class Package Service product.
- Cubic pricing tiers will be added to the enhanced First-Class Package Service product, along with Oversized, Dimensional Weight, and Nonstandard Fees.
- The Parcel Select Ground price category will be eliminated from the Parcel Select product to avoid redundancy. Both Parcel Select Ground and USPS Retail Ground will be subsumed under the newly enhanced First-Class Package Service product.
- The Limited Overland Routes price category will be retained and shifted under First-Class Package Service.

First-Class Package Service will continue to offer both Retail and Commercial price categories, and the Retail category will continue to be sealed against inspection.

As stated in Governors' Decision 22-2, the rationale behind these changes is to simplify and streamline the Postal Service's ground package offerings under an expanded and enhanced First-Class Package Service product. See 39 C.F.R. § 3040.181(a). These classification changes will not result in the violation of 39 U.S.C § 3633 or associated regulations, as the Postal Service's competitive products are still expected to cover their costs and contribute an appropriate share to institutional costs. See 39 C.F.R. § 3040.181(b)(2). The pricing for the newly expanded First-Class Package Service product will be dealt with in a subsequent Governors' Decision and

Commission filing, and the Postal Service fully expects that First-Class Package Service will continue to meet the standards of 39 U.S.C. § 3633. Finally, the Postal Service expects these classification changes will have a positive impact on users of the Postal Service's ground package offerings and will have a minimal impact on competitors and the broader package market. See 39 C.F.R. § 3040.181(c). Ground package shippers, particularly retail customers and small businesses, will benefit from a simplified and streamlined offering. These customers will no longer face a choice between multiple, related, and potentially confusing postal products and will instead have a single—and enhanced—First-Class Package Service product to utilize beginning in January 2023.

The Governors' Decision and record of proceedings will be published in the *Federal Register* in accordance with 39 U.S.C. § 3632(b)(2).

Respectfully submitted,

**DECISION OF THE GOVERNORS OF THE UNITED STATES POSTAL SERVICE ON CHANGES  
IN CLASSIFICATIONS OF GENERAL APPLICABILITY FOR COMPETITIVE PRODUCTS  
(GOVERNORS' DECISION NO. 22-2)**

---

June 22, 2022

**STATEMENT OF EXPLANATION AND JUSTIFICATION**

Pursuant to authority under section 3632 of title 39, as amended by the Postal Accountability and Enhancement Act of 2006 ("PAEA"), we establish changes in classifications of general applicability for certain of the Postal Service's competitive products. The changes are described generally below, with a detailed description of the changes in the attachment. The attachment includes the draft Mail Classification Schedule sections with classification changes in legislative format.

The classification changes established herein are designed to simplify and streamline the Postal Service's ground competitive package offerings under one product. Beginning in January 2023, the existing First-Class Package Service product will be expanded to packages up to 70 pounds to establish an enhanced ground package product. The Retail and Commercial price categories within First-Class Package Service will still be maintained, and the Retail price category will retain its seal against inspection. The enhanced First-Class Package Service product will also include up to \$100 of insurance as well as cubic pricing tiers up to one cubic foot (1 cu. ft.).

In accordance with these enhancements and to avoid redundant offerings, the USPS Retail Ground product will be removed from the competitive product list and the Parcel Select Ground price category will no longer be available within the Parcel Select product. Both offerings would be subsumed under the newly enhanced First-Class Package Service product. The Postal Service expects that its retail and commercial customers will all benefit from this simplified and streamlined ground package offering, and from the overall enhanced First-Class Package Service product.

**ORDER**

The changes in classes set forth herein shall be effective at 12:01 A.M. on January 8, 2023. We direct the Secretary to have this decision published in the *Federal Register* in accordance with 39 U.S.C. § 3632(b)(2) and direct management to file with the Postal Regulatory Commission appropriate notice of these changes.

Oversized Pieces

Regardless of weight, any piece that measures more than 108 inches (but not more than 130 inches) in length plus girth must pay the oversized price. As stated in the Domestic Mail Manual, any piece that is found to be over the 70 pound maximum weight limitation is nonmailable, will not be delivered, and may be subject to the \$100.00 overweight item charge.

### Dimensional Weight

In Zones 1-8, parcels exceeding one cubic foot are priced at the actual weight or the dimensional weight, whichever is greater.

For box-shaped parcels, the dimensional weight (pounds) is calculated by multiplying the length (inches) times the width (inches) times the height (inches) of the parcel, and dividing by 166.

For irregular-shaped parcels (parcels not appearing box-shaped), the dimensional weight (pounds) is calculated by multiplying the length (inches) times the width (inches) times the height (inches) at the associated maximum cross-sections of the parcel, dividing by 166, and multiplying by an adjustment factor of 0.785.

These dimensional weight rules do not apply to the Limited Overland Routes price category.

### Nonstandard Fees

Add the following fees to parcels that exceed certain dimensions, as specified below:

<u>Entry:</u>	<u>Full Network</u>	<u>DSCF/DNDC</u>	<u>DDU</u>
<u>Length &gt; 22"</u>	<u>\$4.00</u>	<u>N/A</u>	<u>N/A</u>
<u>Length &gt; 30"</u>	<u>\$15.00</u>	<u>N/A</u>	<u>N/A</u>
<u>Cube &gt; 2 cu. ft.</u>	<u>\$15.00</u>	<u>N/A</u>	<u>N/A</u>

### Irregular Parcel Surcharge

Add \$0.25 for each irregularly shaped parcel (such as rolls, tubes, and triangles).

### IMpb Noncompliance Fee

Add \$0.25 for each IMpb-noncompliant parcel paying commercial prices, unless the eVS Unmanifested Fee was already assessed on that parcel.

### eVS Unmanifested Fee

Add \$0.25 for each unmanifested parcel paying commercial prices, unless the IMpb Noncompliance Fee was already assessed on that parcel.

### Pickup On Demand Service

Add \$25.00 for each Pickup On Demand stop.

*Balloon Price*

Limited Overland Routes pieces exceeding 84 inches in length and girth combined (but not more than 108 inches) and weighing less than 20 pounds are subject to a price equal to that for a 20-pound parcel for the zone to which the parcel is addressed.

### *Oversized Pieces*

Regardless of weight, any piece that measures more than 108 inches (but not more than 130 inches) in length plus girth must pay the oversized price. As stated in the Domestic Mail Manual, any piece that is found to be over the 70-pound maximum weight limitation is nonmailable, will not be delivered, and may be subject to the \$100.00 overweight item charge.

### *Pickup On Demand Service*

Add \$25.00 for each Pickup On Demand stop.

### *Dimensional Weight*

In Zones 1-8, parcels exceeding one cubic foot are priced at the actual weight or the dimensional weight, whichever is greater.

For box-shaped parcels, the dimensional weight (pounds) is calculated by multiplying the length (inches) times the width (inches) times the height (inches) of the parcel, and dividing by 166.

For irregular-shaped parcels (parcels not appearing box-shaped), the dimensional weight (pounds) is calculated by multiplying the length (inches) times the width (inches) times the height (inches) at the associated maximum cross-sections of the parcel, dividing by 166, and multiplying by an adjustment factor of 0.785.

These dimensional weight rules do not apply to the Limited Overland Routes price category.

### *IMpb Noncompliance Fee*

Add \$0.25 for each IMpb noncompliant parcel paying commercial prices.
