STATEMENT OF EXPLANATION AND JUSTIFICATION

On June 22, 2022, in Governors' Decision No. 22-2, we established changes in classifications of general applicability to simplify and streamline the Postal Service's ground competitive package offerings under one product. ORDER

Management shall provide public notice of the effective date at least thirty (30) days in advance. We direct the Secretary to have this decision published in the *Federal Register* in accordance with 39 U.S.C. § 3632(b)(2) and direct management to file with the Postal Regulatory Commission appropriate notice of this change.
