Docket No. CP2023-42

ORDER APPROVING PRICE ADJUSTMENTS FOR COMPETITIVE PRODUCTS

(Issued December 22, 2022)

I. INTRODUCTION

The Postal Service proposes changes in rates of general applicability for Competitive products.¹ The changes are scheduled to become effective January 22, 2023. Notice at 1. The Commission approves the proposed rate changes and updates the Mail Classification Schedule (MCS) to reflect the new prices. A draft of the applicable MCS changes is attached to this Order.

¹ USPS Notice of Changes in Rates and Classifications of General Applicability for Competitive Products, November 10, 2022 (Notice).

II. BACKGROUND

A. The Postal Service's Notice

On November 10, 2022, the Postal Service filed notice with the Commission concerning changes in rates of general applicability for Competitive products. The Postal Service represents that, as required by 39 C.F.R. §§ 3035.102(b) and 3035.104(b), the Notice includes an explanation and justification for the changes, the effective date, and a schedule of the changed prices. *Id.*

Attached to the Notice is the Governors' Decision establishing the new prices in accordance with 39 U.S.C. §§ 3632 and 3633.² Governors' Decision No. 22-6 provides an analysis of the competitive products' price changes, asserting that the changes comply with 39 U.S.C. § 3633(a) and 39 C.F.R. part 3035. Governors' Decision No. 22-6 at 1.

Attached to the Governors' Decision is the draft MCS language (MCS Attachment) for rates of general applicability for Competitive products. The MCS Attachment shows which prices the Postal Service proposes to change in this proceeding. The proposed price changes are summarized below.

Proposed price adjustments. The Governors' Decision includes an overview of the Postal Service's proposed average percent price increase by product or category, which is summarized in Table I-1 below.

² Notice, Decision of the Governors of the United States Postal Service on Changes in Rates and Classifications of General Applicability for Competitive Products (Governors' Decision No. 22-6), November 9, 2022 (Governors' Decision No. 22-6). Pursuant to 39 U.S.C. § 3632(b)(2), the Postal Service is obligated to publish the Governors' Decision and record of proceedings in the *Federal Register* at least 30 days before the effective date of the new rates or classes. The Postal Service represents that it will send the Governors' Decisions and record of proceedings to the *Federal Register* for publication. Notice at 6.

Proposed classification changes. The Postal Service proposes to combine the Commercial Base and Commercial Plus price categories of Priority Mail Express and Priority Mail into one price category per product labeled “Commercial”. Notice at 2-3; Governors’ Decision 22-6 at 2. The Postal Service also proposes to eliminate Priority Mail Regional Rate Boxes. Notice at 3-4; Governors’ Decision 22-6 at 2-3. For Priority Mail Express, Priority Mail, Parcel Select, First-Class Package Service (FCPS), and USPS Retail Ground, the Postal Service proposes to differentiate the existing “Local, 1, 2” Zone by eliminating the Local zone and creating separate prices for Zone 1 and Zone 2. Governors’ Decision 22-6 at 2-4; see Notice at 4.

The Postal Service proposes to introduce a new price category under the Competitive Ancillary Services product titled “Label Delivery Service,” which offers Postal Customers the ability to request return and outbound mailing labels to be delivered to their address. Notice at 4-5; Governors’ Decision 22-6 at 4.

For Priority Mail Express International, the Postal Service proposes to eliminate a discount offered to weight-rated items tendered at retail counters. Notice at 5-6; Governors’ Decision 22-6 at 5. Additionally, the Postal Service proposes to collapse zoned prices based on origin ZIP Code for Priority Mail International destined to Canada into a single country group and eliminate the related fee for the International Service Center (ISC) zone chart for such pieces. Notice at 6; Governors’ Decision 22-6 at 5.

The Notice includes attachments with redacted tables showing Fiscal Year (FY) 2023 projected volumes, revenues, attributable costs, contribution, and cost coverage for each product, assuming implementation dates of January 22, 2023, or October 1, 2022. The Notice also includes an application for non-public treatment of the unredacted version of the annex to the Governors’ Decision and other supporting materials filed under seal.

B. Procedural History

On November 14, 2022, the Commission provided notice of the Postal Service’s filing, established the instant docket for consideration of the filing’s consistency with

applicable statutory policies and Commission regulations, appointed a Public Representative, and provided the public with an opportunity to comment.⁶

On November 18, 2022, Chairman's Information Request No. 1 was issued seeking answers to questions relating to the proposed new offerings and questions relating to the supporting materials filed under seal.⁷ CHIR No. 1 requested missing Competitive Post Office Box prices and supporting data and clarification on the effective dates and expected impacts of the upcoming classification changes approved in Docket Nos. MC2022-81 and MC2022-82. CHIR No. 1, questions 1-2. Additionally, CHIR No. 1 requested additional supporting materials relating to the elimination of the Priority Mail Regional Rate Boxes (RRBs) and the intent to split the existing "Zone L, 1, 2" into separate Zone 1 and Zone 2, with the elimination the Local Zone. *Id.*, questions 3-4. Lastly, CHIR No. 1 requested a correction to the financial workpapers filed in support of the Notice. *Id.*, question 5.

The Postal Service responded to CHIR No. 1 on November 28, 2022.⁸ The Postal Service filed, under seal, the requested work papers supporting the Competitive Post Office Box price increases and the requested supporting data regarding the elimination of the RRBs. Response to CHIR No. 1, questions 1-2. The Postal Service stated that it will notify the Commission of the effective date of the classification changes in Dockets Nos. MC2022-81 and MC2022-82 and file a notice of the new rates at least 30 days prior to the effective date. *Id.*, questions 2-3. The Postal Service also indicated that it anticipates filing no more than 30 amendments to certain NSAs to be filed after January 22, 2023, to address annual adjustment provisions affected by those

classification changes.⁹ The Postal Service specified how the new Zone 1 and Zone 2 will be defined after the zone change and identified all of the Competitive products that will be impacted. *Id.*, question 4. Lastly, the Postal Service stated that the data in the supporting workpapers for which the Commission had requested correction are correct due to inclusion of the one-time, non-cash benefit in FY 2022 from eliminating past retiree health benefits prefunding obligations with the passage of the Postal Service Reform Act of 2022. *Id.*, question 5. The Postal Service additionally provided a table showing contribution from Competitive products with and without that non-cash benefit. *Id.*

On November 23, 2022, Chairman's Information Request No. 2 was issued.¹⁰ CHIR No. 2 requested that the Postal Service explain an apparent discrepancy in the financial workpapers filed in support of the Notice. CHIR No. 2, question 1. CHIR No. 2 also requested additional justifications for the proposed classification changes in keeping with the Commission's guidance on classification changes sought under 39 C.F.R. §§ 3035.102 and .104 and Order No. 1062.¹¹ Finally, CHIR No. 2 requested additional information on how the new Label Delivery Service will work operationally, as well as information on any related market research or similar competing services. CHIR No. 2, question 3.

The Postal Service responded to CHIR No. 2 on December 1, 2022.¹² The Postal Service clarified that the apparent inconsistency in the financial workpapers was the result of a labeling error. Response to CHIR No. 2, question 1. The Postal Service

⁹ *Id.* question 2.a. The Commission strongly urges the Postal Service to file such amendments well in advance of the intended effective date of the classification changes, to ensure that there are no delays in review of the amendments caused by the quantity of filings.

also provided the additional justifications requested for the proposed classification changes and the additional information concerning the Label Delivery Service. *Id.*, questions 2-3.

On December 5, 2022, Chairman's Information Request No. 3 was issued.¹³ CHIR No. 3 requested revised language updating the price ranges in § 2640.4 of the MCS to match the proposed minimum and maximum prices for Competitive Post Office Box Service. CHIR No. 3, question 1. CHIR No. 3 also requested that the Postal Service justify the ongoing use of different fee groups on the MCS (C1-C7) than are used internally (C30-C44) when reporting prices to the Commission. *Id.*, question 2. CHIR No. 3 additionally asked the Postal Service questions pertaining to its current practice of not publicly disclosing prices for Competitive Post Office Box Service in the Notice and instead waiting to publicly submit those prices in a letter to the Commission's Secretary soon before the effective date. *Id.*, questions 3-4. Finally, CHIR No. 3 requested the Postal Service to provide unit costs and financial workpapers for the new Label Delivery Service. *Id.*, question 5.

On December 12, 2022, the Postal Service filed a response to Chairman's Information Request No. 3.¹⁴ The Postal Service stated that it does not have authority to revise the Competitive Post Office Box Service price ranges in the MCS under the current Governors' Decision 22-6, which only authorized changes within the existing range. Response to CHIR No. 3, question 1. The Postal Service stated that the use of internal fee group labels that do not correspond with MCS group labels may inadvertently cause confusion and that it is not opposed to revising the table headers to clarify the labels. *Id.*, question 2. With regards to its practice of not publicly disclosing prices for Competitive Post Office Box Service in its Notice, the Postal Service confirmed that due to an administrative oversight last year, it neglected to file a letter

with the Secretary of the Commission publicly showing the prices of the Competitive Post Office Box Service that took effect January 9, 2022, and that it intends to file such a letter in this docket. *Id.*, question 3. The Postal Service justified this practice of not publicly disclosing rates in the Notice as intended to avoid allowing competitors 2 months or more to respond with geographically targeted pricing that could cause the Postal Service competitive harm. *Id.*, question 4. The Postal Service contrasted this situation with other products, for which competitors' prices are published on a nationwide basis. *Id.* The Postal Service stated that it is evaluating its pricing strategy for Competitive Post Office Box Service and the timing of its public notice because a potential shift in approach that was not finalized or presented to the Governors prior to Governors' Decision 22-6, therefore it does not believe a change of course is appropriate at this time. *Id.* Lastly, the Postal Service filed under seal the requested projected unit costs and financial workpapers for Label Delivery Service. *Id.*, question 5.

III. COMMENTS

The Public Representative filed comments on December 2, 2022.¹⁵ The Public Representative has reviewed the financial data filed under seal and concludes that the Postal Service's proposed competitive prices will continue to generate sufficient revenues to satisfy U.S.C. § 3633(a). PR Comments at 5. He notes that the proposed price increases are slightly lower than in recent years despite exceptionally high inflation. *Id.* at 2-4. He also supports the proposed MCS changes.

The Package Shippers Association (PSA) filed comments on December 2, 2022.¹⁶ PSA opposes, and urges the Commission to reject, the Postal Service's

proposal to increase commercial FCPS prices by 8 percent. PSA Comments at 1. PSA notes that the Postal Service has recently downgraded FCPS service and asserts that the combination of degraded service and the Postal Service's proposed pricing is "strong evidence that FCPS meets the Postal Accountability and Enhancement Act's definition of a market dominant product, not a competitive one." *Id.* at 2. PSA concludes that the Commission erred in approving the transfer of FCPS to the Competitive product list. *Id.* at 3.

The Association for Postal Commerce (PostCom) filed comments on December 2, 2022.¹⁷ PostCom notes that the Postal Service is proposing significant rate increases while simultaneously reducing service quality as evidence of excessive market power. PostCom Comments at 1-2. PostCom observes that since transferring FCPS to the Competitive product list, the Postal Service has consistently raised rates at a rate above-inflation. *Id.* at 2. It asserts that the Commission erred in permitting the transfer of FCPS to the Competitive product list and urges the Commission to take all available steps to rectify the error. *Id.* PostCom acknowledges that the status of FCPS on the Competitive product list may be beyond the scope of this proceeding. *See id.*

No other interested party filed comments, and no party challenges the Postal Service's proposed rates as insufficiently high to meet the requirements of 39 U.S.C. § 3633.

IV. COMMISSION ANALYSIS

The Commission has reviewed the Notice, the CHIR responses, the materials filed under seal, and the comments filed. Proposed price adjustments for Competitive products are reviewed pursuant to 39 U.S.C. § 3633(a) and Commission regulations under 39 C.F.R. part 3035. In brief, these statutory and regulatory provisions require each competitive product to cover its attributable costs (39 U.S.C. § 3633(a)(2)), prohibit the subsidization of Competitive products by Market Dominant products (39 U.S.C.

¹⁷ Comments of the Association for Postal Commerce, December 2, 2022 (PostCom Comments).

§ 3633(a)(1)), and require that Competitive products collectively make an appropriate contribution to the recovery of the Postal Service's total institutional costs (39 U.S.C. § 3633(a)(3)).

As acknowledged by PostCom,¹⁸ commenters' claims that the Commission erred in transferring FCPS to the Competitive product list are beyond the scope of this docket because this proceeding concerns the consistency of the Postal Service's proposed price increase with 39 U.S.C. § 3633, not the proper classification of products under 39 U.S.C. § 3642. Both PSA and PostCom emphasize the Postal Service's degraded service and increased prices for FCPS as evidence of the Postal Service's market power over the product. PSA Comments at 2; PostCom Comments at 1. But PostCom and PSA do not present any specific issue with the 7.8 percent proposed increase to FCPS rates in this docket, which is in line with current values for inflation since the most recent such price increase for FCPS that took effect on January 9, 2022.¹⁹ Moreover, the increase in FCPS prices and recent change in FCPS service standards cited by PSA and PostCom cannot, on their own, establish that the Postal Service took such actions without risk of losing significant business to competitors. Congress has defined Market Dominant products as those for which "the Postal Service exercises sufficient market power that it can effectively set the price of such product substantially above costs, raise prices significantly, decrease quality, or decrease output, *without risk of losing a significant level of business to other firms offering similar products.*" 39 U.S.C. § 3642(b)(1) (emphasis added).

However, the Commission recognizes that the larger history of price increases and reductions in service standards raised by the commenters may call into question

whether FCPS is correctly classified as a Competitive product. PSA avers in its comments that the Postal Service has raised commercial FCPS prices by 88 percent since its transfer to the Competitive product list in 2011, three times the rate of inflation during that period. PSA Comments at 3; PostCom Comments at 2. In addition to this historical pricing concern, PostCom and PSA note that within the last year the Postal Service changed some 2-day and 3-day service standards for FCPS to 4-day and 5-day service standards.²⁰ The Commission will open a Mail Classification docket to explore commenters' claims that FCPS may not be correctly classified as a Competitive product.

The Commission finds that the new price proposed for each product is projected to generate sufficient revenue to cover each product's attributable cost. This finding supports the conclusion that the new prices will satisfy 39 U.S.C. § 3633(a)(2). In addition, in accordance with 39 U.S.C. § 3633(a)(3), Competitive products as a whole are projected to contribute 33.2 percent to institutional costs in FY 2023, exceeding both the 5.5 percent appropriate share required under the approach currently used for determining compliance, as well as the 10.4 percent appropriate share that would be required under the Commission's formula-based approach under consideration in Dockets No. RM2017-1 and RM2022-2.²¹ Together, these findings support the

²⁰ See Docket No. N2021-2, Advisory Opinion on Service Changes Associated with First-Class Parcel Service, September 29, 2021, at 15 (discussing changes in service standards); PSA Comments at 2-3; PostCom Comments at 1.

²¹ Notice, Competitive Rate Changes January 22, 2023 Implementation (showing projection); Docket No. ACR2021, *Annual Compliance Determination Report*, Fiscal Year 2021, March 29, 2022, at 95 (discussing appropriate share) and 97 (calculating FY 2023 appropriate share under the formula-based approach).

In its Response to CHIR No. 1, the Postal Service discusses the impact of the elimination of past retiree health benefit prefunding obligations with the passage of the Postal Service Reform Act of 2022, indicating that if the one-time, non-cash benefit is included in institutional costs, then institutional costs for FY 2022 would be negative. Response to CHIR No. 1, question 5. The appropriate treatment of that benefit is the subject of Docket No. RM2023-2. See Docket No. RM2023-2, Petition of the United States Postal Service for the Initiation of a Proceeding to Consider Proposed Changes in Analytical Principles (Proposal Seven), December 12, 2022. The Commission notes that the projected contribution of Competitive products to institutional costs satisfies 39 U.S.C. § 3633(a)(3) regardless of how that benefit is accounted for.

conclusion that Competitive products will not be subsidized by Market Dominant products, as required by 39 U.S.C. § 3633(a)(1). The Commission, therefore, concludes that the new competitive prices and proposed MCS language incorporating the new prices comply with 39 U.S.C. § 3633(a).

Other considerations. In Order No. 6249, the Commission stated that “the level of detail and breadth and depth of information provided in filings pursuant to 39 C.F.R. §§ 3040.180 and .181 are instructive of the level of detail and information the Commission also expects in filings made pursuant to 39 C.F.R. §§ 3035.102 and .104 and Order No. 1062.” Order No. 6249 at 14 (footnote omitted). In this docket, a CHIR had to be issued to request that information, particularly with regards to the expected impact of the proposed changes on users of the product and on competitors. See CHIR No. 2, question 2. The Commission reminds the Postal Service to provide such detail when requesting such mail classification changes. The Commission reiterates that if:

[T]he Postal Service continue[s] to include classification changes in competitive price adjustment proceedings that are **not adequately supported and explained**, the Commission may consider opening a rulemaking proceeding to establish further requirements and assess whether all below-product-level classification changes should be proposed and approved solely pursuant to 39 C.F.R. part 3040, subpart E.

Order No. 6249 at 14 (emphasis added).

In its Response to CHIR No. 3, the Postal Service stated that it could not propose new price ranges for Competitive Post Office Box Service to list on the MCS because such changes were not authorized by the Board of Governors. Response to CHIR No. 3, question 1. Similarly, the Postal Service stated it is evaluating its pricing strategy for Competitive Post Office Box Service and the timing of its public notices of new prices, but that any potential shift in approach or strategy was not finalized or presented to the Governors prior to the issuance of Governor’s Decisions 22-6. *Id.*, question 4.

The Commission is concerned that, under the Postal Service’s current practice, the price ranges in MCS § 2640.4 do not accurately reflect the minimum and maximum rates to be charged for Competitive Post Office Box Service, and that not revealing

Competitive Post Office Box Service prices until shortly before the effective date of rate increases unnecessarily limits transparency. See 39 C.F.R. § 3040.101(c); 39 C.F.R. § 3040.104(b)(3)(B). The Commission reminds the Postal Service of its obligation under 39 C.F.R. § 3040.190(a) to ensure that product descriptions in the MCS accurately represent the current offerings of the Postal Service. The Commission encourages the Postal Service to proceed expeditiously with its review of its pricing strategy for Competitive Post Office Box Service and directs the Postal Service to propose any changes to § 2640.4 necessary to bring that section into conformity with Commission rules no later than its next notice of changes to competitive rates of general applicability. If the Postal Service proposes to continue its practice of not disclosing the actual proposed prices for Competitive Post Office Box service in such notices, it shall specifically request non-public treatment for those prices and provide the supporting justifications required by 39 C.F.R. § 3011.201.

In the meantime, the Commission accepts the option presented by the Postal Service to revise the table headers in MCS § 2640.4 to improve transparency by showing which of the C1-C7 fee groups on the MCS correspond to the C30-C44 fee groups better known by customers. See Response to CHIR No. 3, question 2. The Commission has included that change in the MCS revisions below.

In conclusion, as set forth in this Order, the Postal Service may implement its proposed price changes as scheduled.

V. ORDERING PARAGRAPHS

It is ordered:

1. The proposed prices and classification changes can take effect as scheduled.
2. Revisions to the Mail Classification Schedule appear below the signature of this Order and are effective January 22, 2023.

3. The Postal Service shall propose revisions to Mail Classification Schedule § 2640.4 as described in the body of this order.

Commercial Plus Dimensional Weight

In Zones 1-9 (including local), parcels exceeding one cubic foot are priced at the actual weight or the dimensional weight, whichever is greater.

For box-shaped parcels, the dimensional weight (pounds) is calculated by multiplying the length (inches) times the width (inches) times the height (inches) of the parcel, and dividing by 166.

For irregular-shaped parcels (parcels not appearing box-shaped), the dimensional weight (pounds) is calculated by multiplying the length (inches) times the width (inches) times the height (inches) at the associated maximum cross-sections of the parcel, dividing by 166, and multiplying by an adjustment factor of 0.785.

Commercial Plus Dimensional Weight

In Zones 1-9 (including local), parcels exceeding one cubic foot are priced at the actual weight or the dimensional weight, whichever is greater.

For box-shaped parcels, the dimensional weight (pounds) is calculated by multiplying the length (inches) times the width (inches) times the height (inches) of the parcel, and dividing by 166.

For irregular-shaped parcels (parcels not appearing box-shaped), the dimensional weight (pounds) is calculated by multiplying the length (inches) times the width (inches) times the height (inches) at the associated maximum cross-sections of the parcel, dividing by 166, and multiplying by an adjustment factor of 0.785.
